The Best 4-Season Tents of 2023, Tested and Reviewed

Keep camping all year long with one of the top four-season tents

BEST VESTIBULE

ALPS Mountaineering Tasmanian

Winter camping—whether you are backpacking, ski touring, or hunting—means extra gear, sometimes a lot of extra gear. And most of it—snowshoes, crampons, boots—can't really come inside the tent with you. So a healthy-sized vestibule should be high on your list ...

The vestibules of the ALPS Mountaineering Tasmanian are massive—easily the biggest of any winter tent I looked at. Either of the two vestibules ...
